General Plan. He discussed proposed Ordinance No. 09-04 related to the Application to be considered by the City Council subsequent to the public hearing, as follows:

Mr. Pyle stated the subject ordinance would adopt the West Valley City General Plan Update, Vision West 2030. He advised the last comprehensive General Plan updated had been adopted in 2000. He indicated that since that time, many changes had occurred in the City necessitating another comprehensive update. He further advised the update satisfied one of the goals established for the Planning and Zoning Division in the City's 2007-2008 strategic planning efforts.

The City Manager reported that since 2000 a number of significant changes had occurred in the City thus prompting the City Council to direct him to update the General Plan. He discussed some of those changes, summarized as follows:

- The City's population had grown by approximately 16,000
- About 4,500 new housing units had been constructed
- The State selected the preferred alignment of the Mountain View Corridor and began to purchase right-of-way for the facility
- The alignment for the West Valley light rail line had been approved and construction began in 2008
- The State's first bus rapid transit system had been built in West Valley City
- To create a downtown for the City, the City Center Vision Plan and City Center Zone had been adopted and the City began purchasing property within the City Center
- The Valley Fair Mall renovation began in 2007

City Manager, Wayne Pyle, stated the General Plan was a comprehensive and advisory document that provided a broad overview of the City's path into the future regarding housing, employment, recreation, transportation, and land use decisions. The Plan, in and of itself, did not provide specific regulations, directives, or incentives. He advised the City used many other tools such as specific area plans, zoning amendments, City Council resolutions, and capital improvement projects to apply the principles contained in the General Plan.

Mr. Pyle reported development of the proposed General Plan included outreach to the general public, City departments, affected entities such as the Utah Department of Transportation (UDOT) and the Utah Transit Authority (UTA), and City residents. He explained throughout the process, City staff held 60 public meetings, including task force meetings, Planning Commission and City Council

study sessions and public meetings, meetings for the public in the City's opportunity corridors, and City-wide public open houses. He stated a copy of the General Plan and General Plan Map had been distributed to members of the City Council.

Mayor Nordfelt opened the public hearing. There being no one to speak either in favor or in opposition, Mayor Nordfelt closed the public hearing.

### **ACTION: ORDINANCE NO. 09-04, ADOPTING WEST VALLEY CITY'S GENERAL PLAN UPDATE**

The City Council previously held a public hearing regarding Application No. GP-5-2008 and proposed Ordinance No. 09-04 which would adopt West Valley City's General Plan Update.

After discussion, Councilmember Winder moved to approve Ordinance No. 09-04, an Ordinance Adopting West Valley City's General Plan Update. Councilmember Vincent seconded the motion.

### **RESOLUTION NO. 09-38, APPROVE INTERLOCAL COOPERATION AGREEMENT WITH CITY OF TAYLORSVILLE TO SHARE IN CONSTRUCTION COSTS OF A NEW ANIMAL SHELTER FACILITY**

City Manager, Wayne Pyle, presented proposed Resolution No. 09-38 which would approve an Interlocal Cooperation Agreement with the City of Taylorsville to share in construction costs of a new animal shelter facility.

Mr. Pyle stated by the terms of the proposed agreement, West Valley City and Taylorsville City would proportionally share the costs of construction and ownership of a new animal control services facility. He further stated pursuant to the terms of the agreement, Taylorsville would make annual payments to the City

to cover its proportionate share of the bond issued to construct the new animal shelter.

The City Manager reported West Valley City and Taylorsville had previously entered into an interlocal agreement for animal control services and through that agreement the City currently provided those services to Taylorsville. He further reported the agreement extended that shared services concept to the animal shelter facility itself, which would be jointly paid for and owned by the two cities.

After discussion, Councilmember Vincent moved to approve Resolution No. 09-38, a Resolution Approving an Interlocal Cooperation Agreement between West Valley City and the City of Taylorsville to Share in the Construction Costs of a New Animal Shelter Facility. Councilmember Burt seconded the motion.

### **RESOLUTION NO. 09-39, AUTHORIZE THE CITY TO LEASE RADIO COMMUNICATION SYSTEMS FROM MOTOROLA FOR USE BY THE POLICE AND FIRE DEPARTMENTS**

City Manager, Wayne Pyle, presented proposed Resolution No. 09-39 which would authorize the City to lease radio communication systems from Motorola, in an amount not to exceed \$277,382.00, for use by the Police and Fire Departments.

Mr. Pyle stated the proposed lease would replace a portion of the existing radio communications used by the public safety departments over the next seven years through the HP Lease Purchase Agreement dated January 17, 2006, and approved by Resolution No. 06-04.

The City Manager reported formal bidding would not be required because the vendor, Motorola, held a contract with the State of Utah. He indicated the Fire and Police Departments had aging radio equipment valued at over \$2.5 million.

He explained replacing all equipment would not be practical or economically feasible. Additionally, the equipment deteriorated at varying rates depending on the working conditions and users assigned. He also stated a seven year replacement schedule had been prepared with a portion of the equipment being replaced each year which would allow the City to replace equipment as needed and make the purchases more cost effective.

City Manager, Wayne Pyle, advised working with the City's IT Division, the Police and Fire Departments found by financing through the current HP Lease Purchase Agreement, authorized as explained above, the departments would be able to purchase the equipment by financing over the seven year period. He reported the annual payment for the purchase would be \$46,464.00.

After discussion, Councilmember Rushton moved to approve Resolution No. 09-39, a Resolution Authorizing the Lease of Radio Communication Systems from Motorola for use by the Police and Fire Departments. Councilmember Brooks seconded the motion.

### **RESOLUTION NO. 09-40, AUTHORIZE THE LEASE OF EMERGENCY AND DISASTER OPERATIONS COMMUNICATIONS EQUIPMENT FROM MOTOROLA**

City Manager, Wayne Pyle, presented proposed Resolution No. 09-40 which would authorize the lease of emergency and disaster operations communications equipment from Motorola, in an amount not to exceed \$122,000.00.

Mr. Pyle stated formal bidding would not be required because the subject vendor, Motorola, held a contract with the State of Utah. He further stated the City would lease communications equipment that would allow it to communicate with other public safety agencies during times of emergency or disaster. Additionally, the

communications equipment would allow communication with several private sector emergency services providers such as Pioneer Valley Hospital, Alliant Tech (ATK), Rocky Mountain Raceway, Valley Fair Mall, USANA, the E-Center, and Granite School District.

The City Manager explained because the cost involved in purchasing all the necessary equipment was high, the City had attempted to obtain federal and state grants, however, those attempts had been unsuccessful for the last two years. He further explained, therefore, the City found it necessary to lease the equipment with its own funding. He indicated through the IT Division, the City could finance the lease of the equipment by participating in the HP Lease Purchase Agreement previously approved January 3, 2006, by Resolution No. 06-04. He indicated by leasing the equipment through the HP Lease Purchase Agreement, the City would be able to finance \$122,000.00 worth of equipment over a five year period with annual payments of \$27,095.00.

After discussion, Councilmember Burt moved to approve Resolution No. 09-40, a Resolution Authorizing the Lease of Emergency and Disaster Operations Communications Equipment from Motorola. Councilmember Winder seconded the motion.

Mr. Pyle stated it had been determined and was recommended the best option would be to replace and upgrade the existing signage at the E-Center. He further stated the signage had become outdated and was in need of substantial repair. He recommended new state of the art LED sign boards and marquee be purchased from DAK Electronics. He indicated Wells Fargo Brokerage Services, LLC, had proposed favorable financing terms for purchase of the equipment with payments on a bi-annual basis for a term of five years. He indicated debt service payments would be made from the E-Center repair and replacement fund.

After discussion, Councilmember Winder moved to approve Resolution No. 09-42, a Resolution of the Governing Body of West Valley City, Utah, Authorizing the Execution and Delivery of a Lease Purchase Agreement and Related Documents With Respect to the Lease for Daktronic Marquee and Advertising Display for the West Valley City E-Center; Authorizing the Executing and Delivery of Documents Required in Connection Therewith; and Authorizing the Taking of all Other Actions Necessary to the Consummation of the Transactions Contemplated by this Resolution. between workshops, focus groups, open houses, and web surveys, over 2,000 people had provided input.

The City Manager reported the “Blueprint Jordan River” document focused on ten guiding principles, summarized as follows:

1. Preserve and rehabilitate natural river features and functions to the greatest extent possible
2. Establish buffers between the River and the built environment
3. Restore riparian and in-stream habitats
4. Replace structural water conveyance devices with alternatives that allow for flood management plus improvements for water quality, recreation, and habitat
5. Reduce use of hardscapes and impermeable surfaces in and near the corridor
6. Manage storm water on site
7. Balance needs for development, recreation, and public access with River protection
8. Incorporate the River’s natural and cultural history into designs for riverfront features, public art, education, and signage
9. Apply design standards for complementary development and redevelopment in the corridor to support increased visibility and recreational use of the River
10. Encourage regional transportation planning to connect communities to the River corridor, emphasizing non-automobile travel

The City Manager stated in addition to the ten guiding principles above, the following five key goals were listed in the conclusions of the Blueprint:

1. The bulk of the remaining open space along the River must be protected
2. Water quality must improve
3. The trail must be completed through the 15 municipalities without gaps and the waterway must be convenient to navigate with no hazardous obstructions
4. An over-arching entity must be formed to ensure the Blueprint is implemented
5. There must be a variety of dedicated funding sources for capital projects, maintenance, and open space acquisition.

### **CONSENT AGENDA:**

**A. RESOLUTION NO. 09-43, APPROVE AN EASEMENT AGREEMENT WITH DEBRA S. JACOBS FOR PROPERTY LOCATED AT 3676 SOUTH BANNOCK STREET, AND ACCEPT A STORM DRAIN EASEMENT FOR THE BANNOCK CHURCH STORM DRAIN PROJECT**

City Manager, Wayne Pyle, presented proposed Resolution No. 09-43 which would approve an Easement Agreement with Debra S. Jacobs for property located at 3676 South Bannock Street, and accept a Storm Drain Easement for the Bannock Church Storm Drain Project.

Mr. Pyle stated Debra S. Jacobs had signed the Easement Agreement and Storm Drain Easement.

City Manager, Wayne Pyle, advised there was currently an old existing storm drain line running along the rear of lots on the west side of Bannock Street between 3580 South and 3725 South. He indicated the existing storm drain north of the Jacobs property was blocked and not accessible for repairs. He also indicated the new storm drain would run along the north side of the Jacobs property from the existing storm drain and tie into a new box in the curb and gutter on the west side of Bannock Street. He reported total compensation for purchase of the 13-foot wide perpetual storm drain easement would be in the amount of \$3,500.00. He further advised as the cost of an appraisal would likely exceed the actual value of the property being acquired, compensation had been based on a range of

rates used by other entities for similar small easement acquisitions. He stated compensation also included removal of an existing large fruit tree.

**B. RESOLUTION NO. 09-44, ACCEPT A GRANT OF TEMPORARY CONSTRUCTION EASEMENT FROM TRUDY RUSHTON FOR PROPERTY LOCATED AT 3993 SOUTH 5200 WEST FOR THE 5200 WEST IMPROVEMENT PROJECT**

City Manager, Wayne Pyle, presented proposed Resolution No. 09-44 which would accept a Grant of Temporary Construction Easement from Trudy Rushton for property located at 3993 South 5200 West for the 5200 West Improvement Project.

Mr. Pyle stated Trudy Rushton had signed the Grant of Temporary Easement.

The City Manager reported the subject parcel was one of the properties affected by construction of the 5200 West Improvement Project which extended from 3500 South to 4100 South. He stated the Grant of Temporary Construction Easement would allow the contractor to make the necessary tie-ins to the property. He reported compensation for the easement would be in the amount of \$200.00, which easement would automatically expire on December 31, 2010.

**C. RESOLUTION NO. 09-45, ACCEPT A GRANT OF TEMPORARY CONSTRUCTION EASEMENT FROM VERNON BART ANDERSON FOR PROPERTY LOCATED AT 3861 SOUTH 5200 WEST FOR THE 5200 WEST IMPROVEMENT PROJECT**

City Manager, Wayne Pyle, presented proposed Resolution No. 09-45 which would accept a Grant of Temporary Construction Easement from Vernon Bart Anderson for property located at 3961 South 5200 West for the 5200 West Improvement Project.

Mr. Pyle stated Vernon Bart Anderson had signed the Grant of Temporary Easement.

The City Manager reported the subject parcel was one of the properties affected by construction of the 5200 West Improvement Project which extended from 3500 South to 4100 South. He stated the Grant of Temporary Construction Easement would allow the contractor to make the necessary tie-ins to the property. He reported compensation for the

City Manager, Wayne Pyle, presented proposed Resolution No. 09-46 which would accept a Grant of Temporary Construction Easement from Terry Baker and Irene Baker for property located at 5212 West Chester Road for the 5200 West Improvement Project.

Mr. Pyle stated Terry Baker and Irene Baker had signed the Grant of Temporary Easement.

The City Manager reported the subject parcel was one of the properties affected by construction of the 5200 West Improvement Project which extended from 3500 South to 4100 South. He stated the Grant of Temporary Construction Easement would allow the contractor to make the necessary tie-ins to the property. He reported compensation for the easement would be in the amount of \$200.00, which easement would automatically expire on December 31, 2010.

**E. RESOLUTION NO. 09-47, ACCEPT A PUBLIC SIDEWALK EASEMENT FROM AAA WEST VALLEY, LLC, FOR PROPERTY LOCATED AT 5718 WEST 4700 SOUTH FOR THE NEW AAA WEST VALLEY STORAGE UNIT PROJECT**

City Manager, Wayne Pyle, presented proposed Resolution No. 09-47 which would accept a Public Sidewalk Easement from AAA West Valley, LLC, for property located at 5718 West 4700 South for the new AAA West Valley Storage Unit Project.

Mr. Pyle stated due to pole conflicts for electrical transmission lines, a portion of the sidewalk at the above location would be constructed outside the public right-of-way. He also stated, therefore, a public sidewalk easement had been required as a condition of obtaining a building permit.

City Manager, Wayne Pyle, presented proposed Resolution No. 09-48 which would accept a Storm Drain Easement from Farmer Brothers Company for property located at 2230 South 2000 West.

Mr. Pyle stated Farmers Brothers Company had executed the Storm Drain Easement.

The City Manager reported there was currently an existing open drainage ditch running along the southerly boundary of the subject property. He indicated the Decker Lake Business Park had originally been approved and constructed with open drainage ditches throughout the Park. He also indicated many portions of these ditches had subsequently been piped to protect storm water quality and facilitate maintenance of the storm drain system. He stated the new storm drain on the Farmer Brothers Company property would connect to existing storm drain piping to the east and to the west.
